[This is a description of how your student will earn his/her grade]

Effort: work on your art project to your best ability, use your creativity and ask questions to learn more and add to our class knowledge.

Neatness: the art project is neatly completed without messiness or damage.

Time: artwork should be completed on time & you should use your time productively in class. Arrange with Mrs. Chappell for any time extension.

Behavior: Show respect to your teacher, & classmates & all materials should be handled with permission, carefully and without unnecessary waste.
